Imported from Japan. Our suppliers tell us we are the largest importers of Tree-Peonies in the U.S. We have achieved this by supplying constant TOP QUALITY plants.

Tree-Peonies are packed in Japan to our specifications. Each TREE is INDIVIDUALLY root-wrapped in Sphagnum moss. Each tree bears the Japanese as well as English translated name.

PLANT in soil with 30% clay mixture, 30% sand, 20% well rotted manure, 20% loam.

When planting in cans, do not expose the can to the sun, as the roots should be kept cool. Plant graft 1" below the surface.
